

FABRIC CONCERTINA JOURNAL

REQUIREMENTS:

An assortment of fabrics that will be suitable for skies, water, greenery, buildings etc. Whatever you feel would suit your theme. Lace, sari silk ribbons, small printed fabrics all make good details in gardens or buildings.

I will have some hand dyed fabric kits for sale that will cover some of the themes.

Sewing machine, with a darning foot that will allow you to do free motion stitching.

The pages can be hand stitched if you don't want to use a sewing machine, but they will take longer to complete

If you have a small ironing board and iron that would be good too, but there will be one available to share.
